Nominations and Election of 2000 committee

You may nominate your choice(s) of committee member(s) for the next year. Each willing nominee standing for a committee office must have two valid nominations from club members. In the event that an office has more than one candidate standing for it then a vote will be carried out at the AGM, otherwise the candidate will automatically be elected to committee. A minimum of 4 and a maximum of 6 members are required on the committee, of which there must be a chairman, secretary, treasurer and at least one ordinary member. Committee nominations are to be received in writing by the club Secretary by Sunday 30th November at the very latest. The nomination should state the nominated person, the committee position to be filled and be signed by the member or members.

Any other business

Any other items of business should be announced prior to the AGM in writing. Please pass these to the secretary by Monday 6th December at the latest. Any discussion forum will be limited in time. An opportunity to discuss the club's affairs and future direction will take place at the first club meeting of 2000 hosted by the new committee.

Your personal details are held on a personal computer solely for the purpose of administering the affairs of the club. Your name and address details are shown on the envelope label. Please verify that these details are correct and inform me of any corrections and whether you wish to have your details withheld from publication in a club directory.

I look forward to seeing you at the AGM. If you cannot make it, please let me know.
